

Dolores Street Elementary School
Inclement Weather Arrival / Dismissal Procedures
2009 / 2010

Arrival:

If it is raining when students arrive to school, depending on the time they will go directly to the auditorium or the classroom.

Dismissal:

If it is raining at dismissal time, two (2) additional gates will be opened (the middle Catskill gate and the Dolores St. gate by the office). Parents may enter the school and pick up their child from the classroom or the auditorium, where all after-school program students meet, also. Students grades 1 – 5 do not wait in the office. If students, Grades 1 – 5, are to walk home or get picked-up at their gate, they may follow our regular dismissal procedure and exit from the North or South yard gates.

Communication:

It is the parent's responsibility to communicate to their child what they should do after-school on these days.

Note:

These procedures may be used for other inclement weather conditions, also. If there is extreme flooding at a gate, the students will leave from the safest exit or wait at school until it is safe to leave.
